ANZSASI REGIONAL AIR SAFETY SEMINAR – MELBOURNE – 2018

NEW ZEALAND SOCIETY
OF AIR SAFETY INVESTIGATORS

The 2018 ANZSASI Australasian Seminar will be held in Melbourne at the Novotel Hotel, Collins Street, from Friday to Sunday June 1 to 3 (2018). The Novotel Collins Street is ideally suited being centrally located, and adjacent to public transport. The Seminar will follow our usual format with a welcome reception on the Friday evening, two full days of presentations on Saturday and Sunday and a dinner on the Saturday night. For partners, the Novotel is in the main shopping areas and close to the Yarra River attractions.

The success of our annual ANZSASI Seminar is always measured by the quality of the papers and the associated presentations. We have an excellent program of speakers lined up. The theme of the seminar is “Safety” and the

papers selected address all aspects of multi-modal transport safety, safety training and education, human factors and technical developments.
