

Ladies and Gentlemen,

Due to unforeseen issues, we are changing the dates of our SERC meeting to July 27th and 28th, 2018. Our meeting will still be held in Savannah and the Savannah Marriot Riverfront Hotel has allowed us to move the dates without penalty!

We are still planning a tour of Gulfstream Aerospace on Friday the 27th and they have graciously agreed to host a welcome reception as well! A huge thank you to Tom Huff and Brittnee Branham for their incredible support of our SERC!

Our general session will begin with a light breakfast on Saturday, July 28th at 7:30 am in the Plaza Room at the Savannah Riverfront Hotel and presentations will begin at 8:00 am.

Hotel rates have been discounted to \$179.00 for our group. Additionally, the normal self-parking fee of \$21 USD daily has been discounted to \$5 USD daily (discount will be noted on master bill).

We sincerely apologize for any inconvenience the change in dates may have caused but hope that you are all still able to make it to Savannah in July!

Meeting Cost: (cost includes light breakfast and lunch)
\$100.00/Attendee
\$75.00/USG
\$50.00/Student
