

## **ESASI Seminar, Vienna, Austria, 14 to 15 May 2025**

### **Call for presentations**

The ESASI Executive Committee invites presentations for the 2025 ESASI Regional Seminar, which will be held in Vienna, Austria (14 to 15 May 2025). A presentation may be on any aspect of safety investigation, including recent case studies, the development of new investigation techniques, and/or challenges facing investigators.

Presentations should last for a maximum of 20 minutes, with a further five minutes for questions. Papers are not required.

The timeline is as follows:

- 15 February – Deadline for proposals to be received by ESASI
- 28 February – Presenters informed of the decision
- 21 March – Technical programme published
- 29 April – Deadline for presentations to be received by ESASI
- 14 May – Seminar
- 15 May – Seminar

For further information on the technical aspect of the workshop, please get in touch with the ESASI technical committee at:
