

Coming up very soon is the second in the ESASI series of 'FocusOn...' presentations, open to all ISASI members. This one is '**FocusOn... Protected information**' and is on Tuesday 7 December 2021, 13:00 to 14:30 (UK Time & UTC).

The session will look at the protection of evidence during a safety investigation from a number of viewpoints – Annex 13, EU regulation 996/2010, national regulations – and stakeholders such as regulators, manufacturers, lawyers, relatives of victims and journalists seeking to inform the public.

For more current information, and instructions on registration, please go to the ESASI website - <https://www.esasi.eu/>.
