Intercontinental Hotel  
Wellington, New Zealand

Friday 7 June to Sunday 9 June 2019

### Invitation

The New Zealand Society of Air Safety Investigators is the host for the 2019 seminar, to be held again in Wellington. The seminar follows the usual format of the welcome reception on Friday night; the presentations on Saturday and Sunday, with the seminar dinner on Saturday night.

The Asia-Pacific Cabin Safety Working Group will be meeting on Friday from 0900, hosted by the Civil Aviation Authority. Contacts for this event are Sue Rice ([sue.rice@apcswg.org](mailto:sue.rice@apcswg.org)) and Mary Wallis ([mary.wallis@caa.govt.nz](mailto:mary.wallis@caa.govt.nz)).

There will also be the inaugural Grand Trans-Tasman Golf Challenge held on Friday, at the Judgeford golf course. Prospective players should contact Alan Moselen at [alan.moselen@caa.govt.nz](mailto:alan.moselen@caa.govt.nz) and Bruce Robertson ([bruce@avtek.co.nz](mailto:bruce@avtek.co.nz)) jointly; or Derek Frew at [frewcrew@aapt.net.au](mailto:frewcrew@aapt.net.au), depending on which side of the ditch you're on.

### Call for Papers

We are seeking papers on contemporary air safety issues, recent developments, and current or recently completed investigations. Attendees and presenters from industry or outside the region are particularly welcome.

Intending presenters are invited to submit name and position, a brief bio and an abstract of the presentation (approx. 100 words) to [alister.buckingham@gmail.com](mailto:alister.buckingham@gmail.com) and [laurie.earl@xtra.co.nz](mailto:laurie.earl@xtra.co.nz) by 28 February 2019 or as soon as possible thereafter, with a target date of 1 May 2019 for receipt of the full presentation.
