## Activities Since the last International Council Meeting or Future Events No Action ( )

Since the last meeting I have been working on ISASI 2022 and ISASI 2023.

### ISASI 2022

As a result of the ongoing challenges with Covid 19, the decision was made to hold the seminar as a hybrid event incorporating both online and in person attendance. At the time of writing this report, the Registration site has been prepared and is ready for posting. I will defer to the members of the ISASI 2022 Committee to provide further information on the seminar planning.

### ISASI 2023

I have been working with Alicia and Bob in preparation for 2023. It is our sincere hope is that we will be back to full in person attendance by then. At the time of writing this report we are looking at hotels and sites for the social events and Companion Program.

### ISASI 2021

Our first virtual seminar was by all accounts a success. Of the 403 attendees, approx. 50% had never attended an ISASI seminar before. I will defer to our Treasurer to report on the profits.
